

ACA Shop Member Benefit

360 Payments is a payment solution designed specifically for automotive repair shops with industry-leading customer service and revolutionary features. By offering seamless integrations for most shop management systems, you can create a better customer relationship and streamline the checkout process in your shop.

360 Payments ACA Member Special:

Sign up with 360 Payments through the ACA link below and get your first credit card terminal FREE (\$400 Value)!

Full Integration to Shop Management Systems

Integration with leading SMS providers like Protractor, Tekmetric, Shop-Ware, and NAPA TRACS brings efficiency to the shop and a better customer experience.

Text-to-Pay: Fast and Convenient

Get paid faster while offering your customers a modern, contactless checkout experience that keeps the conversation going even after payments are collected.

Point-of Decision Consumer Financing

Eliminate budget as an objection by connecting customers to a lender marketplace for instant decisions through a unique and secure interface.
