

HUNTER TRAINING

Alignment Intermediate/Advanced Combo Level 2

Course Description:

April 20-23, 2026

This course is scheduled to combine the curriculum of Alignment Level 2 and 3 and provide a technician a full week of Hands-on/Lab modules are structured to provide the student in-depth skills relating to alignment equipment operation in combination with additional opportunities to perform actual vehicle alignment processes. The amount of actual vehicle alignments will vary with each class. Previous automotive service experience recommended.

Students enrolling in the combination class will have the added benefit of investment. The course is at a reduced rate.
